Apply as a Secret Sint (which means you provide a package for a family in need) or enlist your family & receive an unforgettable pakjesavond package.

You can subscribe online at www.secretsint.nl

I want to **RECEIVE** a package

Request a package for your family or another family who can benefit from it. We take care of a match with a Secret Sint! You will receive a message whether you were matched in November. Sadly, we cannot guarantee that your request results in a match, but we will let you know the outcome nonetheless.

You'll hear from us before November 15th, at the latest. We hope that you will be celebrating a wonderful pakjesavond on December 5th, together with your family.

I want to **GIVE** a package

You will be putting together a package for a family in need, you are the Secret Sint! We will supply you with everything you need to create a warm and wonderful pakjesavond for the family that has been matched to you.

You will deliver the package through mail, to make sure that the family can celebrate pakjesavond.

Please note: You can request a package for your family to celebrate pakjesavond. This is only permitted when you are not able to celebrate this, for example due to financial reasons, sickness or grief. You must be living in The Netherlands in order to apply.

You will create a package for a family in need, and you will finance this yourself. You will receive everything that you will need from us, including all the details about the family that you will need to create and send a successful package!
